### Principal Message

This holiday season, the best gift you can give your child is a good education. The best place to get that education is in school. Every day. On time. Ready to Learn. Building a habit of good attendance is your child's ticket to success in school and eventually on the job. Unfortunately, every year, absences spike in the weeks before and after the holidays. IT'S TIME TO BREAK THAT CYCLE. We recognize that holidays are an important time for reconnecting with families far away and exposing your children to your home and language, whether you grew up in another part of the United States or a different country. The cost of travel may influence when you leave and/or return. But keep in mind the costs to your child's education if they miss too much school. Please make sure your child is in school every day, right up until vacation starts. Brookdale teachers will be teaching and our students will be learning. So, give your child the gift of education.

I would like to take this opportunity to thank the staff, students, and families for their continued support. Our school is truly a community school and it is at this time of year when this shows through, whether its students donating to the food drive, families participating in the PTA's Holiday shop and Craft Night, or enjoying the choir/1<sup>st</sup> grade and AMP concerts. The new year will bring new learning experiences, new challenges, and new fun! I look forward to what lies ahead for Brookdale in 2018! I wish you and yours a wonderful holiday and look forward to all that the New Year brings to Brookdale students and their families!

**REPORT CARDS WENT HOME** - The first trimester ended Wednesday, November 29. Teachers prepared report cards for this first grading period, and sent them home with students last Friday, December 8. We hope you had time to go over your child's grades and progress along with signing the report card envelope and returning it to school.

**TREATS** - It is such a delight for students to share treats with their class for their birthday! We do ask that families check with teachers 24 hours in advance regarding food allergies, best times, etc. Also, due to health risks, we ask that treats be store bought. Thank you!

**LOST AND FOUND** - Our lost and found is overflowing. Please have your child check for any missing items. A reminder that many coats look the same. It is very important to write your child's name inside their coats. All unclaimed clothing will be given to a charity during Break.

**FIRST TRIMESTER ATTENDANCE WINNERS** - The first trimester ended on Wednesday, November 29. We would like to recognize the following students who had perfect attendance - **ON TIME, EVERY DAY, ALL DAY** (in bold.) We would also like to recognize those students with good attendance (3 incidents or less.) These students will receive a special attendance tag in addition to the monthly attendance tag. Congratulations on your hard work! Way to go!

**STUDENT DROP-OFF AND PICK-UP** - The system is quite smooth and rarely does it take longer than 7 minutes to have all students picked-up at the end of the day. We so appreciate those families who follow the expectation of driving through the 'valet' style system in the parking lot. Not only is this the safest way to drop-off and pick-up your child, it also sets the example for students to follow the expectations. **It is important to remember that this system was put in place for the safety of all Brookdale students.**

**A SPECIAL THANK YOU TO ALL PARENTS THAT FOLLOW OUR  
POLICY WE APPRECIATE YOU! 😊**

**PHONE CALLS FROM BROOKDALE** - Students and staff members who call your home from school will always leave a voicemail if you do not answer the phone. Our office gets many calls stating "someone from your school called me." With more than 460 students and 35 staff members, we often don't know why a student's home was called. All classrooms have the return phone number of the front office 253-298-3100. **Please wait for the message to come through and listen** before calling the school. That way you know whom to ask for 😊

**PROCEDURES FOR EMERGENCY SCHOOL CLOSURES** - As the weather gets colder, it's important that you develop plans for emergency school closures and limited or delayed bus runs. If the regular school schedule is changed, local radio and television stations will be notified. TV stations that will carry this information are KOMO (4), KING (5), and KIRO (7). Most local radio stations will also carry this information. Listen for information about the **Franklin Pierce Schools**. Brookdale School will not be mentioned. Planning should include who will care for your child if schools are closed, who will care for your child if the start of school is delayed 1 or 2 hours and also the rarer instance where we have to close school and send children home early. When schools are closed all school related activities for that day are cancelled.

**It would be helpful if you could do any or all of the following before calling the school:**

- **Check your phone messages.** A School Messenger automated phone call will be sent to all students in the district. Please make sure the school always has your updated phone numbers.
- **Check the website: [www.fpschools.org](http://www.fpschools.org).** They add this information to the home page on the district website and under the heading Student and Parent information.
- **Watch the TV news.** They enter current, accurate information into a computer center which sends that information out to the media. Please look for Franklin Pierce Schools.

**LATE ARRIVAL** - In the event the District declares a late arrival on an early release Wednesday due to snow or ice, **that day will not be an early release day**. Students will start school at 11:00 and stay at school until our usual **3:30 dismissal time**.
